

PIU' MEDICAL: CLOSING OF THE ACQUISITION OF FARMACIA FORMAGGIA COMPLETED

Castronno (VA), July 2, 2026 – Further to the press release issued on May 5, 2026, Più Medical S.p.A. (“**Più Medical**” or the “**Company**”), company listed on Euronext Growth Milan that develops and manages pharmacies and integrated healthcare services, announces that, as of today, the *closing* of the transaction to acquire 100% of the share capital of Farmacia Formaggia (the “**Transaction**”) has been completed.

The Transaction represents the **first acquisition completed by the Company since its initial public offering in November 2025** and constitutes a concrete step in the implementation of the external growth strategy announced to the market.

Farmacia Formaggia, a *premium*-positioned pharmacy located on Corso Buenos Aires in Milan, reported revenues of approximately €7.7 million and EBITDA of approximately €1.2 million for fiscal year 2025, corresponding to an EBITDA margin of approximately 15%¹.

As of today, in accordance with the binding agreement, Più Medical has paid the sellers an amount of approximately €8.1 million, in addition to the advance payment of €1.0 million already made upon signing the agreement. A deferred balance of approximately €1.7 million is also provided for, subject to a price adjustment mechanism to be determined by the end of fiscal year 2026. A potential *earn-out* is also provided for, to be calculated based on the performance of revenues attributable to certain services offered by Farmacia Formaggia in the 12 months following the *closing* of the Transaction.

Based on Farmacia Formaggia’s preliminary revenue for the fiscal year ended December 31, 2025 (amounting to approximately €7.7 million), it is estimated that the amount, including any *earn-out*², corresponds to a multiple of approximately 1.675x the preliminary 2025 revenue.
